## WELCOME SPRING AT CHERRY JAM

Free Kick Off at Burrard Skytrain

Spring has sprung! The 6th annual Vancouver Cherry Blossom Festival, sponsored by the DV BIA, kicks off with a concert on Thursday, March 31 over the lunch hour under the canopy of the cherry blossoms at the Burrard Skytrain station. Enjoy musical traditions from around the world: from guitar, sitar, and taiko drums to accordions and keyboards. Local talent includes Spakwus Slulum - Eagle Song Dancers, Chibi Taiko, Jou Tou, and the eclectic Carnival Band.

A few Birthday Blossom cherry trees remain for purchase for you or your business. Trees ordered by March 29 will be ready for collection the first weekend in April in celebration of the City's 125th anniversary. All trees are four years old, approximately six-feet tall and sure to bloom soon after planting.
